GLORY ENOUGH!

A SOLID NORTH AGAINST A SOLID SOUTH!

INDIANA & OHIO!

WE HAVE ALWAYS LIKED A HOG!

SPECIAL DISPATCH.

TOPEKA, KANSAS, Oct. 13, 1880, 5:35 p. m.

HON. LEWIS HANBACK:

Thirteen hundred and sixty precincts in the State. Five hundred and ten heard from show Republican gain of 4260 over returns of 1876. Undoubtedly the Republicans have carried Indiana by at least 6000 majority. The Legislature is handsomely Republican.

Ohio is Republican by at least twenty thousand. We gain five Congressmen in Ohio. Democrats give it up. Carry the news to Haskell.

A. R. BANKS, Sec'y.

Republican State Central Committee.

INDIANA 8,000 MAJORITY.

OHIO 20,000.

SPECIAL DISPATCH.

LEAVENWORTH, Ks., Oct. 13th, 1880.

C. M. SIMPSON:

Republican majority in Indiana from five to eight thousand; Eight if not nine congressmen elected. Ohio twenty-five thousand majority.

STOVER.

LATEST AND BEST.

SPECIAL DISPATCH.

KANSAS CITY, Oct. 14, 1880, 8:25 a. m.

H. A. PERKINS:

Indiana Republicans elect eight Congressman and whole State ticket ranging from five to eight thousand majority, and have certainly eight majority on joint ballot in Legislature. Ohio Republicans elect State ticket by twenty thousand majority and elect fifteen Congressmen.

MANN.

There is little to add to the above dispatches. In Ohio the Republicans have gained six Congressmen and in Indiana two more. "The principles for which Lee and Jackson fought" have been repudiated by a Loyal North, and the priceless jewels of human liberty have again been wrested from the spoiler. The people of Ohio and Indiana recorded their verdict and in November the whole union will keep step in the grand march to victory.

Republicans of Allen county, to you Indiana and Ohio sends greeting! They have pointed out the way; walk in it. A straight ticket—not a name crossed—means victory to us in this county. Can you—dare you allow your personal feelings to warp your political faith? NEVER! Vote the Republican ticket—National, State, District and County—STRAIGHT.

It is a fact not to be disputed that more Democrats entered the Union army than Republicans.—Independent

The votes of the soldiers in the field in 1864 proves the above to be a barefaced falsehood. The author of the above extract simply puts himself on record as a mendacious falsifier. Permit this question: How many Republicans entered the rebel army? And then take this: All rebels were Democrats, a fact not to be disputed.
